

## Year 1 RE Minibeast Activities

There are so many different minibeasts in our wonderful world.

How did they all become part of the world? How did the world begin?

How did each animal come to have different legs or eyes or colours?

Different people believe different things.

**Activity 1:** Here is a story for you to watch, from the Christian book, the Bible,

which tells how God made the world.

<https://request.org.uk/restart/2020/03/26/bible-quest-creation/>

**Activity 3:**

Talk with your parent or carer about the story.

What was the world like at the beginning?

Which day did you like the best?

Could the world have been created in a different order?

How do you think the world came to be?

Activity 4:

Use these boxes to draw pictures to tell the story:
