EYFS Reception

Weekly Maths Tasks

- Practise counting to 20. This can be done through playing hide and seek, singing number songs, chanting, board games etc.
- Order numbers to 20 and count out objects to 20. Have a selection of containers with numbers to 20 written on them, can you put them in order and then fill them with correct number of objects?
- Practise addition using the 'number 4.add' on the [additon using tens frame](#) online game. Write the additions and answers on paper.
- Write out the digits 0 – 20 on leaves using felt tips. Thread them to make your own number line.
- Working on Numbots follow the challenges (this is the same log in as your child's phonics bug account) <https://play.numbots.com/#/intro>.
- Use sticks to make an addition and equals symbol. Make addition number sentences using things you can find in the garden.

Weekly Reading Tasks

- Share a variety of books at home. Hearing the patterns of language in a story will support your child's language development. Ask your child questions about the story to support comprehension.
- Use Oxford Owl for free eBooks that link to your child's book band. You can create a [free account](#) and Complete the linked Play activities for each book by clicking 'join me'.
- Search in books/magazines/newspapers for the tricky words they are currently learning.
- Listen to the author Oliver Jeffers read his stories on his website <https://www.oliverjeffers.com/books#/abookaday/>

Weekly Phonics Tasks

- Use youtube to search for Mr Thorne-Geraldine the giraffe using that sound. Write down words you can think of with that sound in.
- Play tricky word hop scotch. Say the word as you jump on them.
- Play tricky word hide and seek (hide tricky words around the house/garden) How many did you find?
- **Daily** phonics – <https://www.phonicsplay.co.uk/>
- Play phonics noughts and crosses. Draw out a grid and write a letter, digraph, trigraph or tricky word in each part of the grid. Take it in turns to name what is written in the grid. If you say it correctly you can add your nought or cross in that square.

Weekly Writing Tasks

- Draw a self-portrait, use pencils, pens, crayons or paint. Write your name next to it and can you write a fact about yourself?
- Ask your child to draw a picture of the people who live in their house. If they share time across houses, draw who lives in each house. Can they label their family members using their phonic knowledge?
- What signs of spring can they see outside. Draw a picture of what they can see and try to write its name using their sounds.
- Practice forming the letters of the alphabet correctly.
- Ask your child to write out the tricky words they are working on at the moment on pieces of paper and turn them into a pairs game.
- With help write a short note to the Easter Bunny.

Learning Project

- **Do a picture survey of the people in your house.** How many family members have blonde/ brown/ black/ red hair? Can you record this with pictures? How many people have blue/ brown/ green eyes?
