Dear Parents/Carers

Following a complaint by a parent, could I please ask that extra care is taken when entering and exiting through the pedestrian gate at the entrance to the school, in order to avoid people being jostled and knocked.

The gate is designed to control the number of people going through at one time, and as such, we must rely on parents and children to take care when using the gate, particularly at the end of the school day when it is very busy.

Thank you for your assistance.

Yours sincerely

Susan Bird
