11 May 2017

Dear Parents/Carers

Late Arrival at School

I have noticed a recent increase in the number of children arriving late for school. This is a worrying trend as late arrival is not only disruptive for the individual child but also for their classmates and the teaching staff.

In an effort to improve the situation, our Home School Liaison Worker, Mrs Jo Newcombe, will be offering support to parents who seem to be having difficulties getting their children to school on time.

Medical Appointments

Whilst we appreciate that it is not always possible to arrange emergency or hospital appointments for your children out of school hours, could I please ask that wherever possible, you avoid arranging routine medical and dental appointments during the school day. If you do need to take your child out of school for an appointment, please let us have sight of the letter (or text message) confirming the details. Thank you.

Parents' Curriculum Evening

We look forward to seeing you this evening for our choir performance and the presentation by Gary Wilson. If your child is performing in the choir, please bring them to school at 6.15pm, in their school uniform, ready for the performance to start at 6.30pm.

Yours sincerely

Susan Bird
Headteacher
