Dear Parents

Autumn Leaves

As some parents have expressed concern about the leaves on the driveway, I wondered if there may be any volunteers who were prepared to organise the clearing of the fallen leaves, perhaps in groups over the next few weeks as they will surely continue to fall.

I am sure you will appreciate that this is not a one off clearing task at this time of year and if we paid the grounds contractor to clear them this week, there would be more next week. If, therefore, you would like to help with this matter please contact the school.

Yours sincerely

Susan Bird
