Dear Parents/Carers,

Will you join us and help keep all children safe online?

O2 and the NSPCC have joined forces on a mission to help all children and their families in the UK stay safe online. Together, they're offering useful tools; support and guidance to help parents and carers have conversations with their children about their online lives.

As part of this, they're running free online safety workshops for parents and carers and will be hosting one at **Hamp Academy** at **1.45 pm** on **16th March 2017**. We would like to invite all parents and carers to attend.

The hour-long workshop will help parents and carers understand their child's online world and build confidence to have those important conversations that can help keep children safe online.

If you need any support or guidance in the meantime, please look at the NSPCC website pages and step-by step guides online, call the O2 and NSPCC Online Safety Helpline on 0808 800 5002, or pop into your local O2 store for help from a member of staff.

Yours sincerely,

Susan Bird
