Dear Parents/Carers

### Wet Weather Arrangements

On wet mornings, please do not arrive before **8.30am** as children will not be able to come into school until this time. Thank you.

When it is raining at the end of the day, the children will line up for collection as follows:

- Classes 1 & 2 – from the school reception area
- Classes 3 & 4 – through the playground, from the door on the far side
- Classes 5 & 6 – through the playground, from the door next to the Headteacher's office
- Classes 7, 8, 9 & 10 – from the two doors to the school hall

This ensures that children are kept out of the rain until parents/carers arrive.

### Data Collection Sheets

We will shortly be sending home the data collection sheets – it is very important that these forms are completed, signed and returned to school as soon as possible please. Thank you.

### Care on the School Site

Following an incident where a child was badly injured in a fall from one of the benches outside the school, could we please ask that you do not permit your children to walk on the benches at any time. Thank you.
