Headteacher: Mrs. S. Bird

20 April 2018

Dear Parents/Carers

We have had some lovely weather this week, which has been very welcome! To ensure your child stays safe in the sun, please apply sun lotion to them before they come to school, and ensure they have a hat with them. Could we also remind you that for health and safety reasons, children are asked to wear 'closed' shoes to school, i.e. no open toed or open backed footwear please. Thank you.

Drinking water is always available in school, and we encourage the children to drink plenty during the day. Please therefore do not send your child to school with a bottle of water.

Please be assured that during periods of particularly warm weather, we will risk assess the situation daily. If it is too hot, the children's playtimes will be adapted; we have some shaded outdoor areas, or they can stay indoors. The children are of course supervised whilst they are outside and we can therefore react quickly to any conditions.

Yours sincerely

Susan Bird
Headteacher
