5th January 2021

Dear Parents

School Closure due to Government action over the Coronavirus Pandemic

We have now been instructed to close the school to almost all children from 5th January 2021 until February half term or advised otherwise. As advised by the government, we will do all we can to stay open for the children of key workers (eg NHS staff, police, others in frontline services) and children with certain needs.

Remote education via Google Classroom will be provided to all pupils during the closure of the school to work alongside the teachers planning available on the website www.hampnurseryandinfantschool.co.uk .

If you wish to request a key worker place please email the school email box on Sch.055@educ.somerset.gov.uk with either a scan/photo of the form overleaf or an email containing all the information required. This information is required as soon as possible, your child cannot attend school until we have received all this information and has been offered a place.

Please note at this stage we are only able to offer a place if both parents are key workers. If there is a parent in the household who is not a key worker then the pupil should stay at home following the Government guidance so that we can prioritise provision and maximize the public health benefits of the national lockdown.

Information on free school meal provision will follow in a separate communication.

Yours sincerely

Mary Weatherburn
Headteacher

Hamp Nursery and Infant School
